THE SLIMSPORT ROOF RACK

SLEEK DESIGN

- Low profile minimizes drag noise and allows access to low clearance garages
- Sleek rack shape fits the vehicle's roof, to complement vehicle aesthetics
- Wind Fairing for reduced drag and improved aerodynamics

MULTIFUNCTIONAL

- Creates space for a wide variety of adventure gear combinations
- Compatible with 55+ Front Runner Rack Accessories

USER-FRIENDLY

- Easily accessible mounting options make the vehicle ready for adventure at a moment's notice

LIGHTWEIGHT

- Aluminum construction is 30% lighter than steel on average, maximizing strength-to-weight ratio

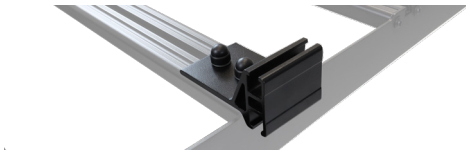

DURABLE

- Designed and manufactured in South Africa to withstand the harshest climates, ensuring a lifetime of dependability

FRONT RUNNER

DOMETIC

Easily add on the Slimsport Side Mount Accessory Bracket for use with most of Front Runner's side mount accessories (sold separately)

Effortlessly access cargo with the Handle/Light Slimsport Rack Bracket (sold separately)

Integrated mounting feet on side rails and additional brace brackets add strength and security

Compatible with the Front Runner 40" LED Light Bar through use of the Slimsport Rack 40" Light Bar Wind Fairing

T-slots in high-strength aluminum slats allow use of most of Front Runner's top mount accessories for added modularity
